

YOUTH PROTECTION AT CAMP

Your Circle Ten Council Camps are committed to providing the safest environment for your Scouts. To that end we need your help making sure every adult that will be spending the night in the campsite with your youth are in compliance with these state-mandated policies. These items will not be returned to you so photocopies are recommended. You will need to submit at check-in the following items for each adult spending the night:

1. A current valid Online Youth Protection Completion Certificate.
2. Turn in a screen print from the sex offender database check (photocopy is encouraged)

This is not a background check. Go to <https://records.txdps.state.tx.us/sexoffenderregistry> and select "Search" in the center of the page. Enter Last Name and First Name in the fields and click search. The very next page is what you need to print out and submit at check in. If there are results that show on the page it is most likely due to a common name and you should conduct the search again with the date of birth filled in. If there are results and they are legitimately connected to the adult planning to attend, that adult will not be allowed to stay onsite.

3. Turn in a completed Adult In Camp State Compliance Form (photocopy is encouraged). This is a simple form that each adult will need to fill out.
4. Authorize a background check via email from the registration system.

About two weeks prior to your arrival, Black Pug will send out an email to all adult participants from your troop. That email will have a unique link for that person to click on and authorize a background check.
